Medicine at
Mount
Sinai**

*Graduate School of
Biomedical Sciences*

Dear Varenja,

Congratulations on your acceptance to the Graduate School of Biomedical Sciences at the Icahn School of Medicine at Mount Sinai! You have been admitted to the Master of Science in Biomedical Science program beginning in Fall 2025.

We look forward to welcoming you to our remarkable community and supporting you throughout your graduate education. Your experience at Mount Sinai will be enriched by our world-class faculty and our location in New York City.

As an accepted applicant to the Graduate School of Biomedical Sciences, you must respond to your offer of admission by May 1st. If you are accepting your offer, you must first submit a \$200.00 non-refundable tuition deposit and complete the Offer Response form.

To accept or decline your offer of admission, please log in to your Online Application. Under Admission Offer in the left navigation column, go to the Deposit Fee tab to pay the non-refundable tuition deposit to secure your place in the program. You must then go to the Offer Response tab, and complete and submit the page to formally accept your offer. If you are declining your offer, you can go directly to the Offer Response tab.

Information about the registration process, orientation, and course schedule will be sent to you by email in the coming months. Please check your emails frequently, as this will be the primary mechanism by which we communicate with you.

If you have questions about tuition or want to inquire about graduate education loan programs, you may contact the Office of Student Financial Services at studentfinancialservices@mssm.edu or by calling 212-241-5245.

Again, we congratulate you on your acceptance and look forward to meeting you in August. If you have any questions, please feel free to contact our program at msbsadmissions@mssm.edu.

Sincerely,

Jacob N. Sneva, PhD, EdM

Senior Associate Dean for Administration
